

Board may set up Liaison committee to meet students

The board of the St. Albert Protestant Separate School District is attempting to bridge a communications gap that students at Paul Kane High School claim exists.

Chairman Charles Schroder said Monday night that the board would probably form a liaison committee consisting of the school administration, students and two members of the board.

He said it would not meet every week or maybe even every month, but "occasionally" to discuss problems of mutual concern.

He said the board had no intention of having students on the tenure committee or anything like it.

Students at Paul Kane had staged a walk-out two weeks ago protesting what they felt to be the firing of three teachers.

They met with the board in the school on Wednesday, June 11, and Student Union President Sid Allen told the

meeting, which was also attended by many teachers and parents, that there was a "sour atmosphere" at Paul Kane which resulted

in a bad learning environment.

Richard Bauman, chairman of the student delegation, said the students had heard a number of rumors about teachers leaving and wanted to clear the air once and for all.

Mr. Schroder said the board had studied the situation and would probably be sending a letter to the students Wednesday.

He said it was hard to identify some of the students' concerns as they were rather vague. He said they could probably be worked on by the liaison committee.

Students did not bring up any specifics at the meeting about the teachers they had expressed concern for, claiming they feared their reputation and opportunities for future employment might be harmed.

They dealt instead on the communications gap and teacher-administration conflict that left the students caught in between.

Learn to swim

Although the hundreds of Grade 2 students weren't aware of it (and neither were their parents) when they were participating in the school swimming lessons, they were part of the Gazette "Learn-to-Swim" program. Up till now, there have been no set standards and no award for passing the course. This situation has been rectified and there is now the Goldfish Award, sponsored by the St. Albert Gazette. It is also being included in the regular instructional program at the pool.

A St. Albert "special," the Award will serve as a lead-up to the official Red Cross Beginners Course. So for the first time there will be Gazette Goldfish in the St. Albert pool.

Two St. Albert girls to dance in Europe

Two St. Albert girls will leave with an Edmonton group July 8 to compete in a dance festival in Tunisia, North Africa.

Sixteen-year-old Shirlee-Mae O'Neill and 18-year-old Maria Berze will also accompany the group on a tour

that will take them to Rome, Paris, Luxembourg and London.

Shirlee-Mae, the daughter of Mr. and Mrs. M. F. O'Neill of 41 Spruce Cres., was one of a group of Highland dancers which travelled to Ott-

awa to perform last summer.

The group was invited by the Tunisian government to attend its annual festival in Carthage and this will be the first time anyone from this side of the Atlantic has performed in it.

Maria came onto the scene this year when the group was expanded to include dancers of other cultures. Maria is with the Hungarian dancers, a group she joined when it came into existence three years ago.

Maria, the daughter of Mr. and Mrs. Alexander Berze of 4 Salisbury Ave., took ballet dancing as a youngster.

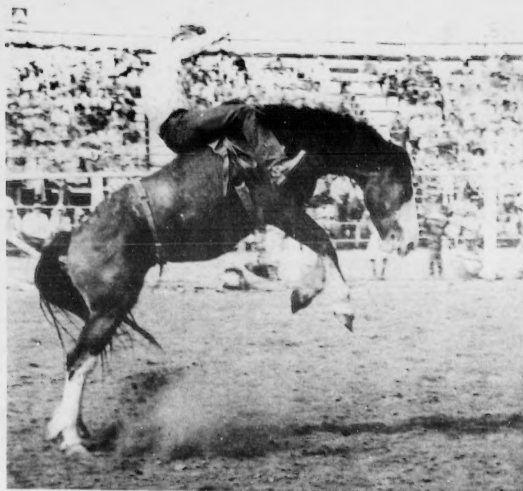

Shirlee-Mae, a Grade 12 student at St. Albert High School, would like to make a career of dancing after attending university. She plans to teach Highland dancing in the fall.

Shirlee-Mae and Maria will be away three weeks. The festival will take place from July 12 to 19. They will return from their European tour July 29.

neighbouring mayors, who will later shoot off for the Royal Bank Silver Trophy.

A baseball tournament will start Saturday with teams from Fawcett, Legal, Bon Accord, Gibbons, St. Albert, Viny, Alexander Reserve and Morinville fighting it out for \$350 in prizes.

There will be outdoor entertainment over the two days and dances will be held Saturday night, the Cyclic Image playing for the teens and the Dominos playing for the adults.

Up, up and away

This is a preview of the action that will take place this weekend at the St. Albert Kinsmen Rodeo 108. About 100 of the top cowboys on the circuit are expected to compete in the calf roping, bulldogging, Brahma bull riding and saddle and bareback bronc riding events.

Thousands expected for rodeo weekend

Thousands of people are expected to flood (oops, pardon that word) St. Albert this weekend for Kinsmen Rodeo 108.

First rodeo events will be held at 7 p.m. Friday. There will be performances at 2 and 7 p.m. Saturday and the final performance will be Sunday afternoon at 2.

The Kinsmen enjoyed tremendous success with the rodeo last year as for a change it was not accompanied by rain. Their luck in past years had been so consistently bad that the local Kinsmen had come to be known as "The Rainmakers."

Dark clouds loomed on the horizon on opening night last year but after flirting a while over the town, moved on to unleash their anger elsewhere. It was sun the rest of the weekend for St.

Albert and the rodeo grounds were filled to bursting.

The rodeo, which will commemorate the 108th birthday of the oldest town in Alberta, is approved by the Canadian Cowboys' Association as a championship rodeo and is part of the Central Alberta rodeo circuit.

The fact that it falls just a couple of weeks before the Calgary Stampede assures it of drawing about 100 of the top-ranking cowboys in North America.

There will be five events, calf roping, steer wrestling, Brahma bull riding, bareback bronc riding and saddle bronc riding. The established purse is \$2,900 but this is expected to double when entry fees are paid.

A trophy saddle, donated by the Bruin Inn, will be

awarded to the all-round champion. A silver buckle, donated by Ross Truck Service Ltd., will be awarded to the high point champion.

Contestants will be performing on the finest stock available, supplied by Reg Kestler of Rosemary, Alta. He is known all over the continent for supplying stock for championship rodeos, most notably the Calgary Stampede. A former all-round champion cowboy, Mr. Kestler was awarded a special contract in 1967—supplying the stock for a rodeo held at Expo in Montreal.

Wayne Hale, one of the top rodeo clowns in the business, will return for the third year in a row to add a light touch to the weekend. Wayne is at his best when the Brahma bull-riding events are being held, luring the fierce beasts away from fallen riders.

A media calf race will be held at 8 at the Saturday evening performance. This contest is open to all press, radio and television personalities employed in the Edmonton area. Each contestant will be required to race with a calf from one end of the corral to the other, which guarantees no danger but possibly a little frustration.

The rodeo grounds are located at the northern outskirts of the town on Highway 2. Parking space is available for about 3,000 cars.

Tickets will be on sale at the grounds and are \$2 for adults and 50¢ for students. There is no charge for pre-schoolers.

Highlights

One of the major attractions of every St. Albert Kinsmen Rodeo 108 weekend is the parade held Saturday morning.

This year's parade is expected to be one of the largest as the Kinsmen Club received numerous entry applications for floats and bands.

The parade will start to wind its way through the streets of the town at 11 a.m.

The Edmonton Klondike posse will be included in the parade and will also perform a musical ride during the intermission at the Saturday afternoon performance of the rodeo.

A bonanza breakfast will be served at the Grandin Park Shopping Centre at 8 a.m. on Saturday morning. The flapjack feed with all the trimmings will be free to all the residents and visitors to St. Albert.

It is sponsored by the merchants of the shopping centre and the mayor and town councillors.

The St. Albert Community League will sponsor a dance at the Community Hall on Friday and Saturday evenings. Top country and western music will be featured.

Morinville geared for Frontier Daze

The pace is beginning to speed up in Morinville these days as June 28 and 29 creep ever nearer.

These are special days in Morinville -- they're Frontier Daze.

The activities will begin Saturday morning, June 28, with a parade marshalled by the Hon. Raymond Reardon. Also in the parade will be Miss Shirley Clark of Namo, the national dairy princess, MIA Keith Everitt, NDP Leader Grant Notley, Liberal Leader Jack Lowery, Conservative Leader Peter Lougheed and

neighbouring mayors, who will later shoot off for the Royal Bank Silver Trophy.

A baseball tournament will start Saturday with teams from Fawcett, Legal, Bon Accord, Gibbons, St. Albert, Viny, Alexander Reserve and Morinville fighting it out for \$350 in prizes.

There will be outdoor entertainment over the two days and dances will be held Saturday night, the Cyclic Image playing for the teens and the Dominos playing for the adults.

RODEO HIGHLIGHTS

A \$1,000 bill will be raffled by the Kinsman Club in conjunction with the rodeo. Tickets will be on sale at the rodeo grounds and the draw will be made on Saturday evening at 11:45 p.m. at the Community Hall.

The rodeo queen will be crowned at 11 p.m. at the dance at the Community Hall on Friday night.

The Kinetite Club will

sponsor a bicycle-decorating contest for children from six to 12 years of age in connection with the rodeo parade.

Children wishing to enter should form up at Grandin Road and Granite Avenue well before the 11 a.m. parade start.

Judging will take place in front of the Roman Catholic Church following the parade.

25 rides on midway

West Coast Shows will return to St. Albert for the fifth time to operate the midway in conjunction with Kinsmen Rodeo 106 Friday to Sunday.

West Coast Shows, reportedly the largest Canadian midway west of the Great Lakes, will offer more than 25 rides for the enjoyment of both children and adults.

The midway will operate from 5 p.m. Friday until Sunday evening.

There will be numerous other attractions included in the show and it is expected several local organizations will have booths on the grounds.

Minor ball teams play exhibitions

Two teams from the Sturgeon Division of the St. Albert Lions' Club Little Canadian Baseball League played exhibition games against teams from Edmonton last week.

Pirates lost 6-3 on Saturday to Killarney, a team that went all the way to the city final last year. Pirates led 3-1 until the fourth inning, when Killarney scored three runs. Killarney got their other two in the sixth.

Senators travelled to the city Friday to play a return match with Kensington and went down 18-14. In a game played in St. Albert the week before, Senators bowed 16-15.

A little-known camp sitting on the south shore of Lac Ste. Anne is preparing for another summer of big business.

Father Colin Levangie, director of Camp Lacombe, said Monday the camp's summer schedule would begin July 1.

The camp, entering its third year of operation, is the brainchild of a group of men in the St. Albert parish. In the fall of 1966 they sub-

mitted a bid for three army huts that the government was selling at Camp Walnwright. They got them and the following spring work was begun on Camp Lacombe.

"They started on it as soon as the snow was gone," Father Levangie said, "and they had it ready for occupancy by July."

It was done completely with volunteer labor, as members of the parish rallied around the project. Actually, it is not finished yet as there is still work being done with an eye to future expansion.

It is a recreational camp, not a religious one, and is open to everyone. It is a message Father Levangie emphasizes. It is a camp for the people of St. Albert, not just those of the Catholic faith.

The St. Albert Parish has use of the camp during the month of July, and in August it is used by groups from the city. It can accommodate 70 campers at a time.

Father Levangie said the camp has been used at times on weekends during the winter by cub and scout groups. It has heating facilities and is expected to get more use as more groups learn of its availability.

The summer schedule will be:

July 1 to 5, boys 8 to 11;
July 5 to 10, girls 8 to 11;

July 10 to 19, boys 12 and over; July 20 to 29, girls 12 and over.

Anyone wishing further information regarding the camp's summer program should contact Mrs. Dan McRae at 599-6468.

Father Levangie has six counsellors working with him on a regular basis throughout the summer. He calls in supplementary help according to the requirements of each group.

Little Canadian playoffs tonight

Little Canadian baseball playoffs in St. Albert will get under way in two leagues tonight.

In the Grandin League, the first-place Angels will meet the White Sox on Diamond 8 and the second-place Red Sox will tangle with the Cardinals on Diamond 9.

Angels defeated the Red Sox on Monday to lock up first place.

In the Sturgeon League, the first-place Senators will meet the third-place Braves in what promises to be a tough duel as the teams finished only three points apart. They will play on Diamond 14.

In the other half of the Sturgeon playoffs the second-place Pirates will meet the Dodgers at Diamond 15. Dodgers actually tied with Yankees for fourth place but were awarded the spot as they had counted two wins in three meetings with the Yankees during the season.

Playoffs in the Mission League will not get under way until Thursday night as it is expected there will be some adjustments in the standings as a result of a meeting Wednesday night.

A one-day knockout tournament is in the planning stages for teams that did not make the playoffs.

SWIMMING

The schedule for July and August is contained in a separate advertisement in this issue. (This should be cut out and kept for reference.) There may be occasional changes in the schedule because of special events and programming during the two months. These will be announced in the Gazette and also posted at the swimming pool.

Under the Joint-Use Agreement between the town and the school districts, the pool has been used daily since it opened by the schools for instructional purposes. All Grade 2 students in town have had the opportunity of learning the basics of swimming and many of the high school students have extended their swimming experience. The fact that this instruction could possibly contribute to the reduction of drowning accidents is worth thinking about and this, of course, is the main purpose of any swim program. The extensive use of the pool by the schools has meant that there has been little or no public swimming during the day. However, as the school term is coming to an end so is the use of the pool by the schools. As announced in the Gazette some weeks ago, there will be public swimming every day from June 23-

hi-lites

27: 7-9 a.m., 9 a.m.-12 noon, 1-4 p.m. and 7-9 p.m.

Any boys interested in water polo (and with the ability to swim) should attend the practices which are held on Wednesdays 6-7 p.m., Saturdays 5-6 p.m. and on Sundays 12 noon-1 p.m. and 5-6 p.m.

A well-attended parents' meeting on Monday evening saw the organization of this season's Swim Club get under way and the new executive formed. Richard Fowler was elected president and Mrs. J. Kehoe was elected secretary-treasurer. Mrs. R. Rix is the school's co-ordinator. Many items were discussed at the meeting, including a "swimathon" which will take place in the early part of July. Fees were established at \$10 each for the first two children in a family and \$5 each for the third, fourth and so on. The next meeting of parents will be held during the first week of July.

The cost of diving lessons was reduced and those who attended the first session elected to continue for the next session on payment of another dollar. Note that the cost of diving lessons in July and August will be \$2.50 for 10 lessons.

At the mile swim held last Sunday evening seven participants succeeded in completing the mile within the allotted time. John Rix, Dino and Tim McLaughlin and Ken Love gained Silver Awards (30-35 minutes); Michael St. Clair, the Bronze Award (35-40 minutes) and Ina Dykstra the Standard Award (40-45 minutes). Frank Carnahan - once again the only adult - bettered his time of the previous week and gained the Standard Award. (Adults where are you? It's a challenge but not that big that you won't even give it a whirl!) The next mile swim will be on Sunday, June 22, at 9 p.m. Register at the pool or you may find yourself on a waiting list.

Members of the poolstaff are planning a Water Show for Sunday, June 29. (Watch for the change in the pool schedule on that day.) There will be demonstrations, competitive events, displays and all the excitement that goes with a show of this kind. At least one member of the Canadian Olympic Swimming Team will be there as well as many well-known personalities of the swimming world.

This show will act as the "kick-off" to a week during which there will be special clinics and courses. Details of the show and the courses will be announced next week. Once again it is necessary to remind all swimmers to leave their valuables at home and not take them to the pool. Parents are also asked to co-operate in the matter of season tickets. These are being lost or mislaid with alarming frequency and duplicate cards are being issued. This duplication can lead to abuse if the original cards are "found" by the unscrupulous and it should be impressed upon

Hodgson's pitching spurs Oilers to win

St. Albert Oilers overcame a 5-0 deficit to record their third straight victory in the Oilfield Baseball League before about 200 fans Sunday afternoon.

Oilers spotted Winterburn the lead over the first four innings but then roared back to win 10-5.

Bert Kenney started on the mound for the Oilers but was in trouble in every inning, with Winterburn scoring one run in each of the first three innings and adding two in the fourth.

That was when Henry Hodgson came on the scene. With one out, Hodgson came on in relief and fanned the next two batters. It was a pattern that he was to follow the rest of the game as over the next five innings he struck out another 10, calling on his mates to register only five outs.

Oilers got into the scoring act in the sixth inning, pushing across three runs. They added two more to tie it in the seventh and doubled their total with five in the eighth.

Over the afternoon the teams were even on hits,

children and young people that a season ticket is a valuable possession must be treated as such. MEN'S SOCCER

The game scheduled last week between the St. Albert Bruins and the Lions didn't take place as the Lions didn't roar - or appear. Our local team plays Croatia on Thursday, June 19, at the grounds at Paul Kane. Game time is 7 p.m. HERCULES SOCCER

The results of the games played last week in the St. Albert Little Atom League were: Mr. Drysdale's team 1, Mr. Van Ens' - 1, Mr. Gibbs' - 1, Mr. Verhagen's - 1, Mr. Jackson's team 0, Mr. Larsen's 3. Because of the cup game the game between the teams of Mr. Kelly and Mr. McKendry was cancelled and because of mis-scheduling Mr. Atterbury's team did not play Mr. Hunts. The team standings are 1st, Mr. Jackson's team; 2nd - the teams of Mr. Drysdale, Mr. Larsen, Mr. Verhagen and Mr. Gibbs; 3rd, the teams of Mr. Kelly and Mr. Van Ens; 4th, Mr. Hunt's team; 5th Mr. Atterbury's and 6th, the team of Mr. McKendry.

In the Premier League, the result of the game played on June 10 was Spurs 5, Slave-Drivers 3. Scoring for the Spurs were Blair Dorn, Rolland Pollard and Scott Ratchinsky. The Slave-Drivers' goals were scored by Terry MacPherson, David Upright and Steve Olsen. The game between the Mustangs and the Mosquitoes played on Thursday resulted in a no-score draw. The next scheduled games are between the Slave-Drivers and the Mosquitoes on Thursday, June 18, and between the Spurs and the Mosquitoes on June 24. Both games at Paul Kane grounds.

each collecting seven. Ches-ter Cunningham was the only Oiler to hit twice. He got two singles.

G. Craddock poked what looked like a home run off Hodgson in the top of the sixth. He crossed home plate but was called out on an appeal play. He hadn't touched third base.

On Wednesday night Oilers had downed Winterburn 18-14 in a game that only went six innings because of darkness.

It was the kind of game that gives a coach ulcers and ruins his sleep for weeks.

It started off calmly enough, with neither team

scoring a run in the first inning. In the second, however, Oilers scored seven times. Winterburn came back with four in the bottom of the inning but Oilers got one in the third and made it 10-4 in the top of the fourth. A comfortable lead, except in a game like this.

Winterburn bounced right back in the bottom of the fourth to score nine runs for a 13-9 lead. Oilers got four in the fifth; Winterburn got more in the sixth. Winterburn was scoreless. Then thank heavens for darkness.

Fred Resler started on the mound for Oilers but was

relieved by Gordon Kutzner, who got credit for the victory. Richie Perrault shut out Winterburn in the final inning.

Lou Martineau led Oilers at the plate, singling four times in five trips.

Oilers next home game will be Sunday, June 22, against the Angels. On Wednesday, June 25, they will be at home to the Cubs.

Morinville Memos

The severe frost that covered the district on June 18 and 19 left gardens, potato, rapeseed and barley fields in ruin.

Interviews with farmers in all parts of the district reveal damage to all crops in various degrees. Some farmers began reseeding their rapeseed fields last Friday. In many fields, potatoes will produce new green shoots and will still produce a fair crop of potatoes, but this will set them back two or more weeks.

Beans, cucumbers and corn, as well as many flowers, also are a complete loss.

The Morinville Lions Club celebrated its 20th anniversary June 20 with a social evening and smorgasbord. Art Stapleton was master of ceremonies. Retiring Lion President Garnet Wiley and his wife were hosts for the evening.

Pete Gibeault is the new Lion's president and will take office July 1. Others on the 1969-70 executive are: Secretary-treasurer, Garnet Wiley; tall-twister, Frank Brumals; Liontamer, Norman West; directors,

Bob Anderson, Henry Ramsay, John Kaup, and Herb Saunders; honorable director, Ed Verrynek.

Raymond Houle has purchased the former "Albert S" Radiator and Battery Repairs Shop.

Eugene Pelletier is opening a car sale lot in Fort Saskatchewan with his son, Marcel.

Tony Graff of T. Joma, Wash. is visiting his niece Mrs. Margie Rocke and family.

cal, for beginners on July 7. All Brownies, Guides, Cubs and Scouts will have preference but other children will be accepted until the first 50 are registered for the first group. Registrations for the second and third groups with courses

beginning on July 21 and Aug. 4, must be in before June 30. The deadline for the first course will be Friday, June 20. Children taking these 10 lesson courses must have a doctor's certificate, fees (\$7.50) paid in full in advance and a signed paper by a parent or guardian stating the age of each child. The address, phone number of the parents or guardian. A parent must volunteer to

act as supervisor on the bus for one trip during the course. The bus will leave Morinville's main street at 8 a.m. sharp for St. Albert

The St. Albert Lions' Club Walkathon is only 10 days away, Saturday, June 28. Above is the route walkers will follow. It measures out to 10 miles. Walkers needn't be content with one round, however, they can make as many as they think their sponsors will be good for. Sponsorship forms may be obtained at all schools and most stores. Fifty per cent of the proceeds will go to CARE of Canada and the rest to community projects. The walk will start at 9 a.m.

School bands close season with concert

The St. Albert Protestant Separate School District Junior and senior bands closed out their season last week with a concert in Sir George Simpson Junior High School.

The 42-member junior and 24-member senior bands performed for 90 minutes for an audience of more than 100 persons.

Jerry Wennes, teacher and director, said the bands performed much better than at the Christmas concert, showing just how much progress they have made.

Four of the members of the senior band also play with another band and one plays with two others. Cameron Willis, and Trevor Maine play with the St. Albert Air Cadets band and Stephen Payne and Gary Scott play with the Loyal Edmonton Regiment band. Bill Tolman plays with both of them.

Mr. Wennes said he would be inviting the public school system to take part in the program, which is now sponsored by the separate school board.

Mr. Wennes is already making plans for next season. He intends to enter the senior band in the Kiwanis Music Festival in Edmonton and if he is able to find more practice time for the junior band, he may enter it as well.

He is considering exchange visits with bands from Calgary and Victoria. Gerry Bryant, former supervisor of music with the Westlock School Division, is now with the Victoria system.

He also wants to get the bands formed as marching

Accidental poisoning took the lives of 32 children under fifteen years of age, 25 of these happened to children under five; 8 were due to misuse of aspirin and salicylates.

bands so that they can do parades.

Mr. Wennes said that out of 60 who joined the junior band in the fall, 42 stayed with it and passed into the

intermediate senior band.

"This is a good percentage," he said, "it's voluntary and requires a lot of work. Some are going to drop out."

Around Town

Bill Penrose of St. Albert is among the eight Albertans attending the annual Canadian Institute for Organization Management at the University of Western Ontario June 15 - 21. The Institute is conducted by the Canadian Chamber of Commerce. Mr. Penrose is assistant general manager of the Edmonton Chamber.

Andre Tardiff, manager of the Bank of Montreal in St. Albert, returned this weekend from Montreal where he attended a special course. He will be going back in a week's time for a second one-week course, followed this time by a week's vacation.

Local businessmen can frequently be seen letting out a little shaft at the Sturgeon Valley Golf Course. At the moment it would appear from the tall tales that Vince Ratchinsky, Jim Byrne, Gerry Belke and Al Mitchell are top of the ladder. With upstarts like Harry Hutchings, Peter Zuidema, and Ernie Jamison sitting in the weeds, they have to protect this enviable position, however.

The St. Albert Women's fastball team under coach Harry Bellrose, took quite a drubbing from the Gibbons gals Monday nite in the Edmonton second division league game played at Walterdale diamond. They are hopeful of improving their position for tonight's game.

AROUND TOWN

About 200 persons attended the pop concert presented by the Edmonton Concert Band in Lions Park on Sunday, June 15. The band, under the direction of Jerry Wennes of St. Albert, played many of the top songs from Mary Poppins, Thoroughly Modern Millie and My Fair Lady. They also played three marches from Colonel Bogey and some of the numbers made famous by the Tijuana Brass.
